Personalised for Small & Medium Enterprises | Sub-Saharan Africa | Marketing Funnel Framework

How to Use These Templates

These four templates are designed to help Sub-Saharan African SMEs build a comprehensive business identity brief. Once completed, each template generates a structured AI prompt that you can paste directly into Claude, ChatGPT, Gemini, or any AI tool to receive a detailed, funnel-aligned marketing strategy tailored to your industry and context.

→ STEP-BY-STEP PROCESS

- **CHOOSE YOUR TEMPLATE** — Select the template that most closely matches your business type (Food & Agribusiness, Retail & Fashion, Fintech & Finance, or Health & Wellness).
- **FILL IN THE FIELDS** — Complete every section honestly. The more specific your answers, the more targeted your AI-generated strategy will be.
- **USE THE AI PROMPT** — At the end of each template is a pre-built AI prompt structure. Copy it with your filled-in answers and paste into any AI assistant.
- **REVIEW YOUR STRATEGY** — The AI will return a full marketing strategy including funnel-stage tactics, a 30/60/90-day plan, content ideas, and KPIs.
- **IMPLEMENT & ITERATE** — Apply the recommended tactics, track results, and update your template every 3–6 months as your business grows.

◆ THE MARKETING FUNNEL STAGES

◆ TEMPLATES OVERVIEW

0
1

Food & Agribusiness

For farmers, food producers, catering, restaurants, food delivery & agro-processing businesses.

FOOD & AGRIBUSINESS

For farmers, food producers, caterers, restaurants, food delivery & agro-processing businesses across Sub-Saharan Africa.

Industry Context: Food and agribusiness is the largest sector in Sub-Saharan Africa, employing over 60% of the population. Key dynamics include high price sensitivity, trust built around freshness and hygiene, strong community purchasing patterns, and increasing smartphone-based food discovery, especially in urban areas. WhatsApp groups and word of mouth remain the most powerful channels for food businesses.

Best suited for: Catering services, market food stalls, restaurant owners, meal prep & delivery, poultry farmers selling direct, cassava processors, fruit & vegetable vendors, agro-export businesses.

SECTION 1 — BUSINESS IDENTITY

Business Name

Enter your business name

Tagline / Slogan

Enter your slogan or leave blank

Year Founded

e.g. 2019

City / Town

e.g. Lagos, Nairobi, Accra

Country

e.g. Nigeria, Kenya, Ghana

Business Description

Describe what your food & agribusiness business does in 2–4 sentences. Include how it works and who it serves.

Products / Services Offered

List your main offerings. Include price ranges where possible.

Unique Value Proposition (UVP)

What makes you different? Why should customers choose you over competitors?

SECTION 2 — MARKET & ENVIRONMENT

Geographic Reach**Select one:**☐ Local (1 city) ☐ Regional (multi-city) ☐ National ☐ Multi-Country**Key Competitors***Who else serves your food & agribusiness market? What do they do well or poorly?***Market Opportunity***What gap or trend are you capitalising on?***Main Market Challenge***e.g. price sensitivity, low trust, infrastructure***Cultural / Regulatory Factors***Any cultural values, religious considerations, or laws that affect your marketing?***SECTION 3 — TARGET CUSTOMERS**

Common customer profiles for food & agribusiness businesses in Sub-Saharan Africa: Urban office workers seeking convenient lunch options; households buying weekly groceries; event planners needing catering; diaspora customers seeking authentic food products; restaurants buying wholesale from farms.

Primary Customer Segment*Describe your ideal customer — who they are, what they do, their life situation.***Age Range***e.g. 25–45 years***Language / Dialect***e.g. English, Swahili, Twi, Pidgin***Income Level — Select one:**☐ Low income ☐ Lower middle ☐ Middle income ☐ Upper middle ☐ High income**Location Type — Select one:**

☐ Urban ☐ Peri-urban ☐ Rural / Village ☐ Mixed

Customer Pain Points

What problems or frustrations does your customer have that your business solves?

Buying Triggers

What causes them to finally decide to buy?

Buying Barriers

What stops them from buying even when interested?

SECTION 4 — BUSINESS EXPERIENCE & MATURITY

Business Stage — Select one:

☐ Startup (0–1 yr) ☐ Early Stage (1–3 yrs) ☐ Growth Stage (3–7 yrs) ☐ Established (7+ yrs)

Team Size

e.g. Solo, 2–5, 6–15, 50+

Monthly Marketing Budget

e.g. \$0, \$50–\$200, \$500+

Digital Presence — Select all that apply:

☐ No website ☐ Basic website ☐ E-commerce site ☐ Inactive social media ☐ Active social media ☐ Strong following

Previous Marketing Efforts

What marketing have you tried? (WhatsApp broadcasts, flyers, radio, Facebook posts, etc.)

What Has Worked

Which efforts brought real customers or sales?

What Has NOT Worked

What didn't bring results?

SECTION 5 — MARKETING CHANNELS & TOOLS

Active / Available Channels — Select all that apply:

☐ WhatsApp	☐ Facebook	☐ Instagram	☐ TikTok	☐ X / Twitter	☐ SMS / USSD
☐ Radio	☐ Word of Mouth	☐ Market / Physical	☐ Email	☐ Website	☐ Local Influencers

Industry-relevant channels for food & agribusiness: WhatsApp (food photos & broadcast lists), Instagram (visual food content), Facebook Marketplace (local selling), physical market stalls, delivery apps (where available), community bulletin boards, church/mosque announcements.

Primary Acquisition Channel**Channel to Invest More In**

How do most new customers find you now?

If you could grow one channel, which would it be?

**SECTION 6 — GOALS & MARKETING FUNNEL****Primary Marketing Goal**

What is the #1 thing you want marketing to achieve in the next 3–6 months?

Monthly Revenue Target**Strategy Timeline**

e.g. KES 300,000 or \$800 / month

30 days / 3 months / 6 months / 12 months

Funnel Stages Needing Most Attention — Select all that apply:

☐ Awareness	☐ Interest	☐ Consideration	☐ Conversion	☐ Retention	☐ Advocacy
------------------------------------	-----------------------------------	--	-------------------------------------	------------------------------------	-----------------------------------

Typical funnel challenge for food & agribusiness businesses: Most food businesses struggle at Conversion (customers are interested but hesitant to order from an unknown vendor) and Retention (getting customers to come back regularly and not switch to competitors nearby). Build trust and consistency.

SECTION 7 — BRAND VOICE & STORY

Communication Tone — Select up to 3:

☐ Professional☐ Friendly☐ Bold & Energetic☐ Inspirational☐ Humorous☐ Cultural / Community☐ Educational☐ Spiritual / Values-Led

Brand Story / Origin

Why did you start this business? A compelling origin story helps the AI write emotionally resonant content.

Cultural & Community Context

Cultural values, local traditions, community ties, festivals, or language preferences important to your brand.

Customer Testimonials / Social Proof

Paste real customer feedback or reviews. The AI can use these to craft social proof content.

Brand Keywords

5–10 words you want associated with your brand (e.g. fresh, trusted, affordable, local, fast).

AI PROMPT INSTRUCTIONS

You are a senior marketing strategist specialising in Sub-Saharan African markets.

Using the completed business identity brief above (Template 01: Food & Agribusiness), generate a detailed, actionable marketing strategy that includes:

A. STRATEGIC OVERVIEW — Summarise positioning and core challenge in 2–3 sentences.

B. MARKETING FUNNEL STRATEGY — For each relevant funnel stage (Awareness → Advocacy), provide 2–3 specific tactics, recommended channels, low-budget execution tips relevant to Sub-Saharan Africa, and an example content idea.

C. PRIORITY ACTION PLAN (30 / 60 / 90 Days) — A phased plan of top actions based on the business's current stage.

D. CONTENT STRATEGY — 5–7 content ideas tailored to tone, audience, and channels. Include WhatsApp-native and social-native formats.

E. BUDGET ALLOCATION GUIDE — How to allocate the available marketing budget.

F. METRICS TO TRACK — The 3–5 most important KPIs at this business stage.

Note: Focus heavily on trust-building, food safety messaging, and community credibility. Recommend WhatsApp-first content strategies. Account for mobile money payment integration (M-Pesa, MTN MoMo) as a key conversion enabler.
